

Westlake
M U N I C I P A L C R A C K S E A L

The Project

Protect-A-Cote Inc. has successfully crack sealed hundreds of miles of pavement throughout Northeast Ohio. One particularly satisfied customer is the City of Westlake, Ohio, where we have been awarded the crack sealing contract multiple times.

The Project

Our experienced crews have consistently and safely completed the work while meeting ODOT specifications and quality standards on every project.

thank you
